The 7 Key Benefits of a Marketplace Huddle *for Business*

1. The chance to be on a team of professionals who care about your success.
2. The motivation to go even further because of accountability.
3. The opportunity to observe a fresh perspective of business and life.
4. The inspiration to seek and gather deeper wisdom from lifelong learners.
5. The cultivation of new strategies, ideas and the ability to recognize blind spots.
6. The promotion of key resources, networking relationships and innovation.
7. The ability to enhance personal vision, creativity and obtain results.

The Marketplace Huddle - *5th Degree Accountability Program* offers:

- A paid facilitator who is a seasoned, Certified Professional Coach assigned to each huddle for a 12-Month commitment.
- A cohort of five diverse professionals, meeting three times per month (lunch & 2 huddle meetings), focused on personal and professional growth.
- A faith-based worldview perspective of business and life success.
- A cost-effective huddle group that offers additional resources to assist in business innovation and development.
- A specific game plan that will set individuals up for ongoing business and life success.
