

Serving Our Neighbors

October 24, 2024

What amazing times we live in and what an incredible opportunity that we have, to live in Abundant Life, so that others can Know Him! Scriptures reveal that Jesus the Son, fulfilled the Spring Feasts of Unleavened Bread, Passover & First Fruits, the Holy Spirit fulfilled Pentecost, perhaps God our Father is revealed and fulfilled in Fall Feasts of Trumpets, Atonement & Tabernacles! Years ago, I asked our Father, why Jesus was crucified on Passover, but the Highest Holy Day is Atonement. He said that on Passover, Jesus took us out of the kingdom of darkness, but on At-one-ment, He will take the kingdom of darkness out of us. Over the past 2 years, I've discovered that it is our good Father that heals our hearts (our mind, emotions and will)!! Hurt people, hurt people, but free people, free people!!!

For the past quarter of a century, Serving Our Neighbors (SON) has been demonstrating . . .

- WHO real SONS ARE (they know their real Good Father),
- WHAT real SONS SAY (they speak the Words of their Good Father),
- WHAT real SONS DO (they follow the Ways of their Good Father) &
- WHAT real SONS HAVE (they steward the Wares of their Good Father).

We all know that the lack of fathers, is the core issue to the breakdown of every facet of society & culture in our communities, cities & nations around our world, wherein Serving Our Neighbors is all about Family & real Kingdom Families establishing more real Kingdom Families for generations to come! Since the only solution to this fatherlessness is fatherfullness, Serving Our Neighbors has been actively bringing this solution to the marketplace and to faith, business & government leaders (male & female), one encounter at a time, as well as corporately through strategic initiatives & projects.

Only Fathers can create SONS and only SONS can become fathers & thus father their generation to raise up SONS, who will father their generation or so on. Everyone is born as an orphan, from our real Father, and we all live as orphans, until we have reconnected with our Good Father, let Him heal our broken, bruised & shattered hearts and make us into His SONS (male & female). Once we know our real Father & have heard His Voice say to us, "You are My Beloved SON & I'm so pleased with you" then we will live from Love, rather than for Love & we will be Serving Our Neighbors from His approval, rather than for His approval. The longing of our entire world is to see the full revealing of our Good Father's SONS, so that He can Heal Our Land through YOU & ME!

Our Vision - to see a movement of SONS advancing the peace & prosperity of our communities!

Our Mission - to connect, equip & engage SONS to achieve a greater community impact through strategic partnerships!

As a T.E.A.M. (Together Everyone Achieves More) Player in our greater Portland/Vancouver metro area, SON encourages all Believers to start with **Prayer** (Vertical Agreement in hearing what God our Father wants where you Live, Learn, Work & Play), followed by **Care** (Horizontal Agreement in what God our Father shows you to Be, Say & Do in your Neighborhood, School & Worklife) and then **Share** (planting Seeds of Hope & Love in the hearts & minds of others, when you asked to share your Faith in our Father & His Son).

Thank you for partnering with us and investing in **Serving Our Neighbors**, so that we can continue to build key strategic partnerships, much needed infrastructure & critical media outlets to further multiply everyone's efforts in serving our neighbors, as well as expand SON to other communities. We need your continued support to finish well and lay the proper foundation for 2025 and beyond!

Can you help us to finish well? We are running about \$30K behind in paying for the Kingdom work that is being done in our cities!

As we have discussed before, **Dutch Sheets, via his Give Him 15 - Daily Prayer Updates**, has shared on the importance of **Revival AND Reformation** working together, so that we don't lose the coming Billion+ Harvest of Souls AND we will begin to see strategic & significant **Transformation** of our Nations' Society & Culture into our Father's Kingdom Family & His Will to be done, on earth as it is in heaven!

Over the past 9 months, we've supported our local Revivalist, **Chris Overstreet with Compassion To Action**, in launching Flood Portland Outreaches in the 12 Zones of our Portland/Vancouver metro area on Fri, Aug 30th & a Celebration of Hope at Pioneer Courthouse Square in downtown Portland on Sat, Aug 31st. Hundreds of volunteers met at Hub Church Partners throughout our city, then worshipped on the streets and shared the Good News between 10am-2pm and again between 4-8pm in high traffic & high crime areas. As they prayed for people, many experienced salvations, healings and deliverances, they posted the stories on the **United Hive app** and gave away FREE Bibles & tickets to our Celebration of Hope for FREE Food & a chance to Win a FREE Car. **More than 1,800 registered, wherein 925+ attended, with 130+ volunteers, 52+ recorded salvations & rededications and 24+ got baptized behind the Starbucks.**

For 2025, we are launching quarterly **Revival Nights** (starting Fri, Nov 1st at Life Change Church with Pastor Mark Strong), monthly **Northwest Revival Gatherings** (starting Fri, Nov 1st at Restoration of Hearts with Pastor Viktor Koroteyev) and monthly **Flood PDX Outreaches** (starting Sat, Nov 2nd at Life Change Church between 10am-2pm). As new believers are born into our Father's family, they will be connected to weekly **Discipleship Communities** that will meet in homes (& online) and be connected to one of our 30 local Church Partners. We are also launching a monthly **Leaders Luncheon for Pastors & Business Leaders** (on the 2nd Tue of each month, starting on Nov 12th at US Digital), so that they can connect with each other and engage their members to dedicate their work to God.

We have also supported our local Reformers, **Patrice & Gina Tsague** of the **Nehemiah Entrepreneurship Community** (formerly Nehemiah Project International Ministries) in hosting a monthly Connect Meeting at the **US Digital Outreach Center** in Vancouver and promoting their new **Nehemiah Business Life Cycle Course**, their annual **Best Practice Business Conference & Nehemiah Week**.

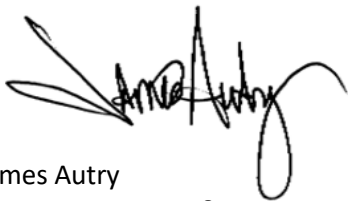

For 2025, we are featuring their new company, **Smart Oregon Solutions (SOS)** and their Chief Tech Advisor, Colonel Jeff Williams, as our Keynote Speaker for our 23rd **Clark County Prayer Breakfast** at the Vancouver Hilton on Thu, Nov 7th, 7-9am & on Facebook LIVE! SOS was created to support their Nehemiah eCommunity, as well as other non-profit ministries, such as SON & Compassion To Action! We are also excited the Patrice Tsague will be a Keynote Speaker for **Mission ConneXion** at Sunset Presbyterian Church (Jan 17-18) and I will be leading a Workshop on "Prayer In Portland" on Sat, Jan 18, 5:30-6:30pm celebrating all that Papa God is doing in our region! Our next LIVE (& in person) **Nehemiah Business Life Cycle Course** will be the following weekend, Jan 24-25 at US Digital and we are working on monthly Connect Meetings to take place at 3 different locations throughout our city, Vancouver, Portland & Beaverton.

Both Chris Overstreet (a son, who facilitates Revival) and Patrice Tsague (a son, who facilitate Reformation) are strategically partnering together to disciple believers & nations, right here in our region (with folks living here from more than 200+ nations), as well as around the world! We are also very excited that our new radio station ministry, **Worship 24/7** (also heard on-line and on-mobile in 200 nations) is now being heard on 96.3 FM in the greater Portland/Vancouver metro area (& 15 other FM stations across our nation) has partnered with Papa George La Du's ministry, **Kingdom Living**, featuring his established **Identity Project** course for believers and business leaders.

For 2025, we are partnering with Papa George to host a monthly **Experience Our Father's Love – A Gathering for Men**, just as we did this past week, Sat, Oct 19th. It was a powerful time for men to learn more about our Good, Good Father God and to be activated in sharing His Love with others with their family, friends and work! We also featured our new resource website, **www.PapaLovesMe.com**.

Since January of 2024, we've been hearing our Father God say, "It's Time!" "SONs Don't Run, They Fight For What Is Right!!" & "Ride the Wave, Boys, Ride The Wave!!!" In 2020, we release **"The Case For The Marketplace Catalyst"**. Pray with us for God's timing in relaunching **The Marketplace Catalyst** & our monthly **Business Development Group Forums**, as well as our weekly **Influence Builder Groups**, our annual **Marketplace Summits** and our **SON Institute (SONi)**, a new AI platform that is now possible to build out!

Can you help us to finish well for this year? Will you consider supporting us via a monthly donation to SON or consider your business(es) becoming a **Corporate Sponsor** (wherein you would write-off your investment as a marketing expense) and we would help grow your organization? You can setup a monthly donation (\$1K, \$500, \$250, \$100 or \$50) via the PayPal button on the front page of our website, **www.ServingOurNeighbors.org** or you can make a one-time donation of any amount via this **PayPal Link**. Avoid service charges by mailing a check to PO Box 90784, Portland, OR 97290, using **Venmo** (@servingourneighbors) or **CashApp** (\$servingourneighbors).
