PO Box 90784, Portland, OR 97290 503-515-5647 www.ServingOurNeighbors.org

SON's Mandate is out of Jeremiah 29:7 ". . . work for the peace & prosperity of the city where I sent you into exile. Pray to our Father for it, for its welfare will determine your welfare."

In 1887, a woman, a priest, two ministers & a rabbi in Denver established a coalition to raise up volunteers and \$21,700 (millions of \$ in today's economy) for 10 local health & welfare organizations that were suffering from lack of support. They created a national movement of citizens establishing "Community Chest" funds in local communities that became United Way with 1,800 coalitions in 41 nations. More than 125 years later, United Way has coordinated relief services, established community-wide campaigns and served as an agent in raising \$4 Billion annually for local non-profit organizations & city-wide causes around the world. Today, we now need a "Gospel-Centered" united way for Believers to support each other & extend His Kingdom!

- Do you have a heart for your community?
 - *Then you are serving our neighbors!*
- Are you praying to see lives transformed?
 - *Then you are serving our neighbors!*
- Are you serving with other Believers?
 - *Then you are serving our neighbors!*
- Are you sharing your faith when asked?
 - *Then you are serving our neighbors!*

SON is a collaboration of Community, Marketplace & Faith-Based Leaders partnering with Him to release radical collaboration, strategic prayer & the mobilization of hands, feet & hearts throughout our local communities.
